Corey,

In your revised test plan, you have a comment for releases paper tests, you "didn't do this", what does it mean? You mean no release paper tests?

I agree with all your other comments. We will work on the homologue analysis section later. Please go ahead to work on it. In the attachment is the outline for the experiment section. Thanks.

Xiaoyu

Subject: NASA Test Plan Comments

Hi Xiaoyu:

Attached are my comments for the test plan. Several aspects of the test plan will need to be expanded in the report. I will not be in the office the rest of today or on Monday, but I will be in for a few hours tomorrow morning for sampling, so if you need me to address anything just send me and email.

Thanks,  
Corey
